BENO

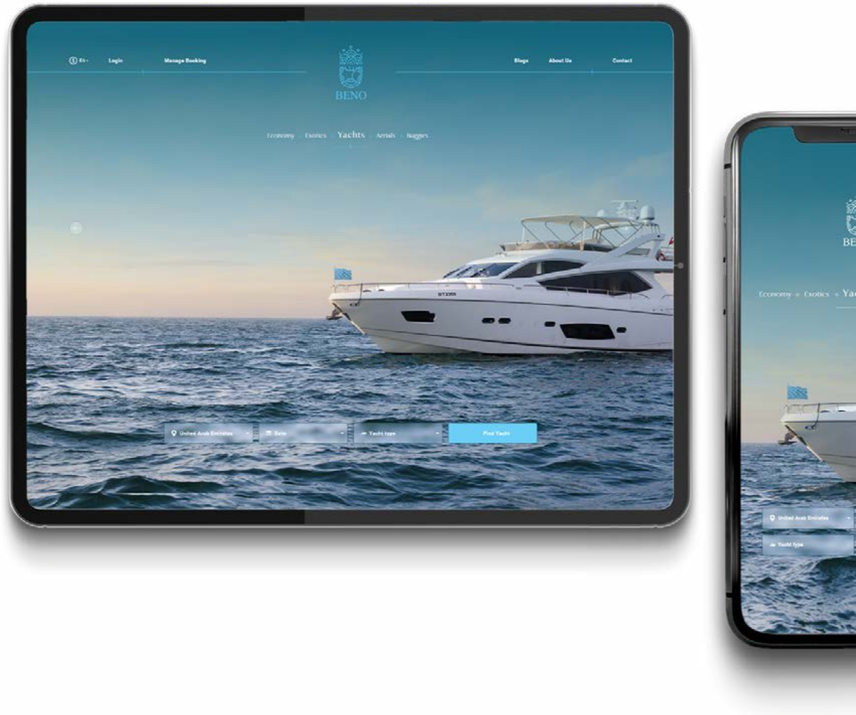
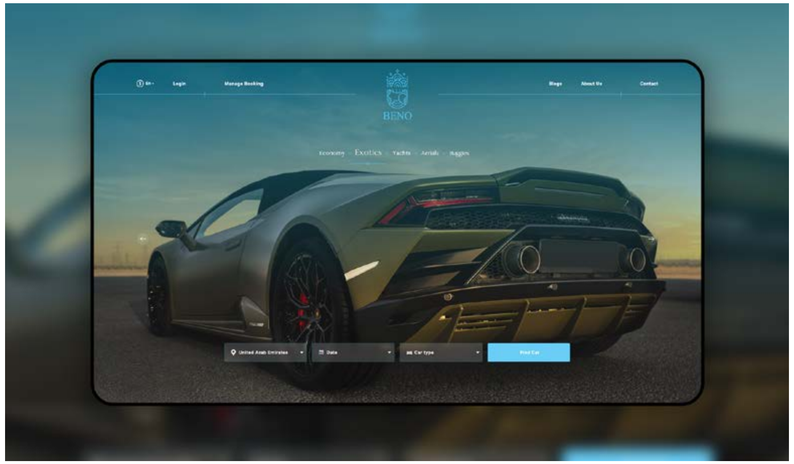
WHO IS BENO

"Transforming Travel Into Unforgettable Experiences"

BENO is a unique, innovative concept for every segmented and lifestyle need. Offering an exclusive glimpse into the luxurious slice of life, we offer our customers a luxury experience of their travels delivered by leading travel designators, a professionally trained crew, and tailor-made services that fulfill every wish. Here, experiences are lived to their fullest and memories are unforgotten. Our undying passion for imagination and innovation reflects in our collection of exotic and luxury cars, yachts, aerial tours, and buggy options for you to select and rent from.





TECHNOLOGY IS AN INTEGRAL PART OF BENO

A vision to enhance customer experience witnessed the creation of an innovative and seamless reservation system from scratch.

Conducting extensive research and analysis based on customer feedback, the team designed the UI and UX experience by leveraging cutting-edge technology and programming languages which were integrated within the company's existing infrastructure, including payment gateways, inventory management systems, and customer databases.

Today, Beno's dedicated tech-team continues to make advanced developments to meet the evolving needs of its customers.

OUR CREW

Our impressive crew offers guests with personalized and tailor-made services to make every on-board experience truly exquisite. Our professionally trained VIP crew comprises the marine captain, engineers (maintenance, mechanical and electrical), safety guides, a gourmet chef, stewardesses and deckhands. What truly sets us apart is our crew's cultural diversity, that helps them cater to customers from all over the globe. They are fluent in languages including Chinese, Portuguese, Arabic, Russian, English, Turkish, Spanish, Dutch etc.

BENO YACHTS: WHY US?
